

Applying for your Higher Education Student Loan with DBS?

Follow these steps for a smooth application!

For Students

1

Ensure you have an active DBS/POSB account

If you do not have a DBS/POSB account, please open one before application in StudentLoanSG portal

2

Compare your MyInfo and DBS profile

Log onto Singpass and ensure that your MyInfo profile matches that on your DBS profile records

3

Update your profile with DBS

If not, log onto DBS digibank and update your DBS profile records accordingly before application in StudentLoanSG portal

You are all set to apply for your Higher Education Student Loan via the StudentLoanSG portal

A mismatch between your details on MyInfo and DBS records may result in your loan application being rejected. Hence, do verify your details carefully for a smooth application.
