

Louis Chan

*Portfolio Director, AR Global Holdings Pte Ltd
Corporate Services Manager, ALP Law Corporation*

A Valuer (Real Estate) in training and ex-Banker, Louis is a Portfolio Director at AR Global Holdings Pte Ltd whilst assuming a complementary role as Corporate Services Manager at ALP Law Corporation. He has more than a decade, armed with acute technical analysis from his undergraduate years and working experience in the finance industry, successfully found a niche in cross-border business strategy and development (Singapore-China).

Over the years, he is the key consultant for foreign companies seeking to expand into Singapore, making Singapore its headquarters to expand further into Southeast Asia countries.

He has been invited and taken up the offers to sit the Board of Directors for companies in varying industries. One of his notable positions was an Executive Director on a SGX Mainboard Listed company.

With the experience in his field, he is also involved in the Entrepreneurship Eco-System in China, matching private investors to good potential start-up companies. He had also returned to the education industry to contribute his experience and assistance to the future generation of entrepreneurs.

He is an instructor with NTU Entrepreneurship Academy (NTUpreneur) for undergraduate Minor in Entrepreneurship modules ET5134 Enterprise Strategy and ET5131 Venturing into Entrepreneurship. He was involved in the development for ET5134 OBTL curriculum development. He has consistently received an average score of 4 and above (out of a scale of 5-highest) for teaching evaluation.

Areas of Expertise:

Real Estate Valuation, Banking & Finance, Cross-border Business Strategy
